Great Oaks Charity Week

5th - 9th February

Save the Children. In aid of Save the Children Fund

Great Oaks School

for children caught up in war in Gaza and Ukraine

Charity Week

Next week at Great Oaks its our Student Council Charity week with events suggested and organised by pupils.

We are raising money for children caught up in conflicts around the world particularly in Gaza and Ukraine.

On Monday we will be finding out a bit about what the money we raise will be going towards and setting Mr Evans a challenge. On Thursday we have a non-uniform day – dress in your PJs!

There are also events throughout the week for different Pathways which have or will be communicated with you via Dojo – see poster opposite. Reports and pictures next week.

We appreciate money is tight so aren't asking for big donations but please do send in whatever you can for this really worthwhile cause.

Thank you

Chinese New Year

Next week is Chinese New Year and we will be having a special menu at lunchtime on Wednesday (see Dojo from Sam earlier in the week). We will also be having some Tai Chi demonstrations by one of our parents.

Happy New Year!!!

OFSTED

We sent our OFSTED report out last week. Thank you for all the nice responses we had to it. It is now publicly available on the OFSTED website. Staff are busy planning an event for the whole school to celebrate – more details to follow soon!

Winter Olympics

As part of our Going for Gold theme last week we had our very own Winter Olympics with an opening ceremony, a real Olympic flame and a question and answer session with aspiring Olympian Gymnast Kelly Simm. Each class became a different commonwealth Country and medals were awarded throughout the week. Cameroon were our unlikely Winter Olympics winners.

Safer Internet

Next week the Police cybercrime unit will be running a series of workshops for parents on internet safety. Please see the Cyber choices section of their website for more details

Cyber Choices

The national Cyber Choices network aims to:

- Educate young people about the dangers and penalties of getting involved in cyber crime
- Educate young people about opportunities in cyber security
- Divert those on the cusp of committing cyber crime
- Manage the highest risk cyber offenders
