Communication skills

Jo's Corner

Hello all

This week I had the opportunity to take four of leavers out for lunch, as they were not old enough to join the clubbing last week. It was a lovely chance to reflect on how much they have enjoyed their time at college, accompanied by the sweetest lunch I have ever had! Thanks, Shawneen, for the recommendation.

Thank you to all who came to parents evening and the BBQ, it was great to hear about progress being made at home as well as in college.

Have a great weekend,
Jo

Draw a picture of yourself as a leader. Around your drawing write down your leadership strengths (the things that make you a good leader). Now ask a family member or friend to do the same thing. Compare your drawings. Did you both identify the same strengths?

Work together to identify 3 more strengths to add to your own list. Over the next week, complete 3 tasks at home to apply your strengths.
