Spring Connections

As we enter the Spring Term, we look forward to lighter days, warmer weather, and new growth across the school. We continue with our whole-school theme of Connections, sharing regular updates in the weekly newsletter. The Autumn Term successfully focused on sensory-rich learning, twinned class links, positive in-person engagement, and whole-school live performances. This spring, we aim to build on this strong foundation and are excited about the learning and experiences ahead!

New Spring Feature! Display Corner...

Our school looks fantastic every day, but parents do not always get the chance to see the displays and learning taking place across our sites. Each week in the Spring Term, we will share displays from around the school, celebrating creativity and the learning experiences happening in our classrooms.

Even the goats are wearing winter coats at City Farm. "The trouble is" said manager Tom, "they've been eating them."

Turkeys saved from Christmas dinner have been named: Rosemary, Thyme and Saffron. Names were chosen from ideas by Great Oaks students and

friends of the farm. The birds, which like to stand on the students' laps, are now used to the sound of voices. Here's a picture from Harry in 4HC.

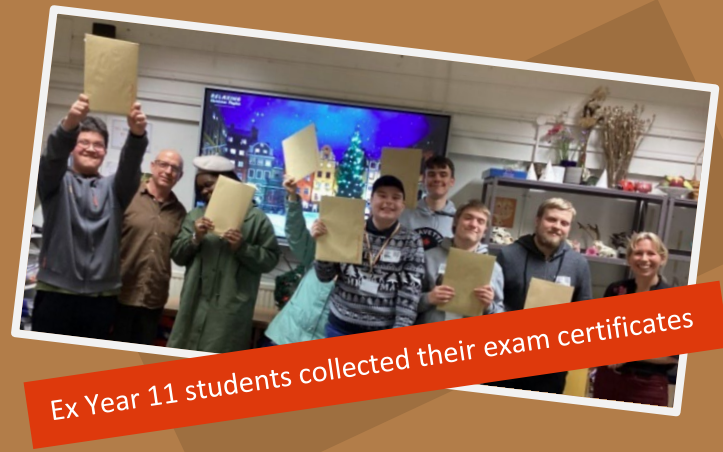

Students are preparing to be pampered* at South Site's new Friday Pamper Club. Sonia in J16 will offer foot spas, pedicures and manicures. Dell has organised another new club - Dog Walking.

He turned himself around.
