

# Great Oaks Weekly

Friday 22<sup>nd</sup> September 2023

## Class Charters

Our whole school theme this week has been school rules and class charters. Each class has come up with a set of standards that they think are important to follow throughout the year. A few examples in the different Pathways are below:

To support our class rules and charters we have lots of rewards both in Pathways and across the school, the Friday raffle being one of the most popular!

## Interested in becoming a Governor?

We are looking for a new parent governor to join our governing body.

Parent governors play an important role in helping to improve and maintain the quality of education at Great Oaks They work with the Leadership Team and the Trustees to set the school's vision monitor teaching and learning and ensure that it is accountable to the parent body

We are looking for a parent governor who is enthusiastic, committed and has a strong interest in education but you do not need any specific qualifications or experience.

As a parent governor, you would be expected to attend governing body meetings, which are held six times a year (currently on a Tuesday) and to organise occasional school visits, as well as potentially serve on one of our Trust committees

We are particularly interested in hearing from parents from a variety of backgrounds, as we want our governing body to be as representative as possible of our school community.

If you are interested in becoming a parent governor, please arrange to have a no obligation chat with Andy Evans.

## After-school Clubs

Our After-school clubs start on Wednesday 5<sup>th</sup> October. A letter is going out tonight, please complete and return this if you would like to request a place. We cannot accept verbal requests. We will confirm places towards the end of next week.

Many thanks

## Celebrating results

Well done to all of last year's Year 11s on achieving their qualifications this Summer. They did fantastically. Pictured are a few of them coming in to collect their results in August.
