

Great Oaks Weekly

Friday 4th July 2025

It's been our Creative Arts week this week with the theme for the week of Imagination. There have been lots of performances taking place featuring pupils from all Pathways. Pathway 2 took audiences on a musical journey around the world on Tuesday (sadly we had to cancel the parent performance of this due to Internet issues), we had 2 concerts in which some classes, Friday afternoon groups and those having music lessons performed to families on Wednesday and Thursday. On Friday Pathway 1 watched a special recorded showing of the musical they put on earlier in the year (parents will be able to see this on the School Fair evening).

All classes had opportunity to visit the amazing Year 11 GCSE Art exhibition this week and created imaginative art pieces based on music using a range of materials including foam and ice. A mural featuring contributions from all the Pathway 1 classes is in the process of being completed – pictures next week. Thanks to the Arts Team for a good week

School Holidays and weekends

Bank Holidays - school is closed

Inset Days - school is closed to pupils

Year 7 Pupils only

Let's Make the Last 12 Days Count!

We're in the final stretch of the summer term—and every day in school matters! The last 12 days are a golden opportunity for students to reconnect with friends, make lasting memories, and get ready for a successful start to next year. Being in school helps build confidence, friendships, and strong routines. We want all our students to be in school so they don't miss out on the Summer term fun.
