## School expansion consultation

Thank you to the parents who turned up to the consultation events this week. We really would urge you to contribute to the consultation as more purpose built specialist school places are desperately needed. The consultation is open until the end of term, just follow the link below:

## Next year

We will let parents know the classes their young people will be in in September next week. We have a transition day planned at the end of term where pupils and students will have the opportunity to spend time in their classes with their new teacher.
