

# Great Oaks Weekly

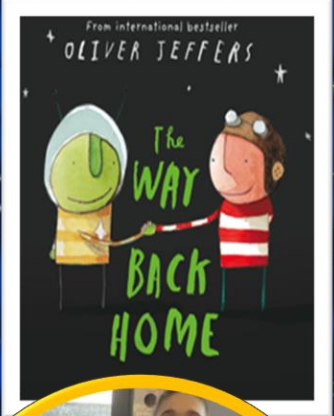

Friday 8<sup>th</sup> March 2024

## English Space week Special

Our English week this week has been out of this world as we have engaged in all things planetary and alien!

We've focussed on the 2 books featured but also taken part in lots of other English and related space themed activities. Our Sensory room on West site and Lodge on South site were turned into Planetariums, we've created tin foil aliens, had a masked reader competition, there have been UFOs over school generating some creative writing and much more

## Saints visits

This week we had a visit from PE scholars who play for the Saints under 18 team. 3JD/3LB took part in a Q&A with the players and got to play some football with them during their PE lesson.

Our boys and girls football teams have been competing against other schools over the past few weeks. Reports and pictures of these games next week.
