### Creative Problem Solving skills

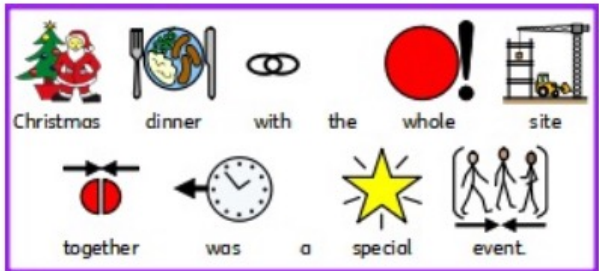

### Kate's Corner

WOW what a wonderful week!!

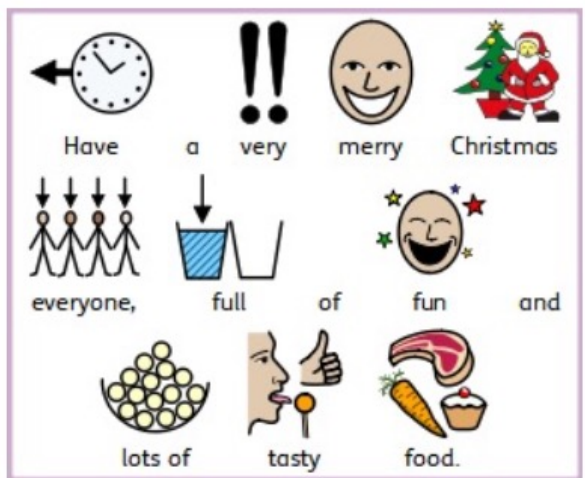

Christmas dinner was a huge success with everybody eating, smiling and being together. We were very lucky to be lent the space within Testlands marquee and it made it feel a special event!

Thursday was the whole school assembly with everybody coming to join us at South site for music, games and a very special guest donkey. Our pathway managers did us proud and ended up with faces of flour and we all laughed lots!

Have a very Merry Christmas everyone, full of fun and lots of tasty food. We look forward to hearing all about it in the New Year.

Festive wishes, Kate

Skills Builder Challenge

Staying Positive

Think of something that didn't go right, how did you cope and stay positive?

### Diary Dates

Tuesday 2<sup>nd</sup> January 2024  
Back to College!

Think about the last few weeks. Write down something that has happened that didn't go to plan or even went wrong.  
Below it, write down how you responded and how you kept trying to overcome the issue.  
**Extension:** Do this multiple times to begin a journal/diary about how you stay positive.

Happy Birthday

Vinnie

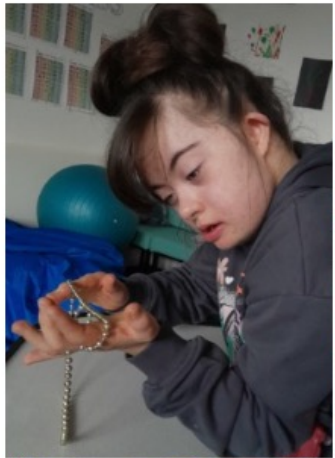

Jailon

Lucy

proud

D16 have been preparing for the Christmas holidays by making greetings cards and decorations. The staff are all very proud of the students for joining in Christmas dinner with the whole of South Site.

treats

On Tuesday, F16 enjoyed a trip to Hollywood Bowl for the end of term. We really enjoyed our game of bowling, and the French fries we got with lunch! We spent time getting into the festive spirit later in the week, when we made gingerbread from scratch.

M16 we're excited to be part of the whole college and school assembly. It was good to see our friends from school.

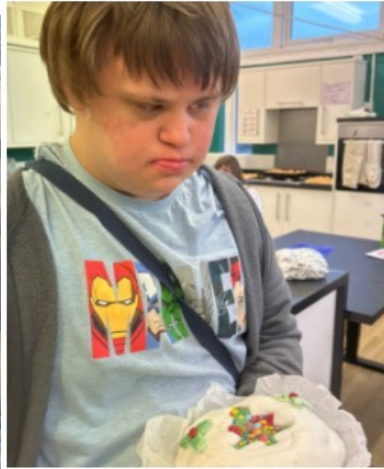

friends

A16 finished off decorating our Christmas cakes this week. Everyone made a huge effort and they all looked great!
