It's been a different week for our students, with lots of our friends in year 11 celebrating their leaving school with different activities. The ice lollies they treated us all to were most gratefully received in such glorious sunshine!

Have a good weekend, Emily & Sarah

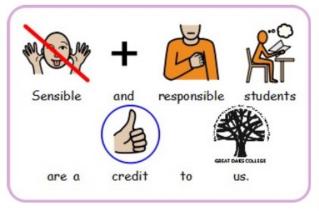

M16 are starting our Monday mornings with a yoga stretch. We've been doing this for a few weeks now and we have all been feeling the benefits when we do it!

Choose someone in your household, or a friend on the phone, to interview about their dream career.

Prepare by writing a list of questions. For example:

- What did you want to do as a job when you were younger?
- Has your dream career stayed the same?
- If you could do anything, what would it be?
- What skills do you need to be successful in your dream career?
- How are you planning to reach your dream career?

During the interview, demonstrate active listening and make a note of their answers.

Extension: Interview two people and compare their perspectives.
